## Message from the Co-Presidents

School is back in session, and the slant of the sun tells us that the last days of summer are ticking down. This summer has been very busy at the library. Over 5,000 children were signed up for the Summer Learning Program and many books were distributed. We contributed \$2500 for the purchase of books and \$5,000 for the many programs that were offered. Thank you. We couldn't have done it without your support. One of the more popular programs was Pokemon Go with each library a designated Pokestop. It's popularity has led to a Wednesday afternoon hangout program where kids can come for snacks, do homework, play games or just socialize.

Fall marks the election season and this year is proving very contentious. From the presidential race down to our local election, opinions are strong and loudly proclaimed. If you

attended the city council meeting in June where the representative from Moffat and Nichol, marine engineers, gave a presentation, we feel many fears about flooding at the proposed library site were put to rest. If you missed it, you can find it on the city web site ([www.cityofpacificaca.us.gov](http://www.cityofpacificaca.us.gov)) or watch it on the Pacifica Community Television You Tube channel (<https://youtu.be/2lpRoJmbao?t=29m475s>).

The new library is Measure N on our local ballot. We hope you will take the time to become informed on the issues and candidates and take the time to sort through conflicting opinions. For more information, go to our website. ([www.pacificafriendsofthelibrary.org](http://www.pacificafriendsofthelibrary.org), or [www.pacificansforthenewlibrary.com](http://www.pacificansforthenewlibrary.com). Don't forget to vote on Nov. 8.

September also means that Fog Fest is on its way. We will be staffing a food cart once again. We need one more person as a parade marshal to set up barriers. If you can help on Sat. morning from 8:30 – to the end of the parade, please call Caroline Barba at 359-3848. You can also show your support by

marching in the parade with the Yes on N group. You can leave your name and phone # at the library if you are interested in marching. Babies in strollers and kids are welcome too.

The librarians are planning lots of interesting and entertaining programs for September and October.

Hope to see you there, and happy reading,

Stay tuned!

**Music in the Air**

Happy news for music lovers, music will be returning to the libraries with two programs in Oct. On Friday Oct. 14 at Sharp Park at 6:30, you will be treated to “Rhythms of Cuba”, and on Thurs. Oct. 22 at 3:00 in the afternoon, the Camino Trio will perform at Sanchez Library.

**Summer Interns Help Staff**

The libraries had help this summer from student interns, some of whom have been able to extend their stay. The students assisted with programs helping kids at both Sanchez and Sharp Park libraries.

They have also been very helpful with the cd printer. Many patrons, young and old, have been helped to create their projects. It is amazing to see the string go in and the item grow layer by layer.
