Message from the Co-Presidents

Spring is in the air and with the new season, excitement is in the air at the libraries. The SMCL Bookmobile will soon be making regular visits to Pacifica. This outreach will make it easier for patrons in far away neighborhoods to access services including picking up and requesting books. Once the schedule is finalized, it will be advertised. Also, coming soon will be lap top vending machines which will allow patrons to check out a lap top with their library card for 4 hours use in the library. New tables are being ordered also. This will greatly expand the number of computers which are available to the public. We are fortunate to be a part of a forward looking county library system.

A presentation by TBWB, a professional polling group, to the Library Campaign Committee showed a deep divide in our town, not unlike the division in our country. The North end of town supported the plan, the South did not. We will need an agreement from all sections in order to pass a bond election. An attempt to step back, and re-evaluate the plan was initiated at the recent Library Advisory Committee meeting. There was broad agreement that there needed to be more community input with greater involvement. There is no doubt as to the need to replace Sharp Park, but other options are being considered. As this effort goes forward, I hope you will all get involved and submit your ideas and questions at the upcoming meetings. Keep alert for notices of public meetings and think about what would be your ideal solution.

Happy Reading,

In Memorium

We learned the sad news of the loss of two of our longtime supporters and community pillars,

Shirley Drye

and

Kay Kirkland.

Both women were active in the community in many spheres of activities.

Our sincerest condolences to their families and friends.
