Message from the Co-Presidents

If it's June, it must be book sale time. It's almost summer, and it's time to stock up on your favorite summer reading. Our book sale will be June 16 (11 am – 6 pm) and June 17 (10 am – 4pm). We have an incredible selection of beautiful books on a wide array of subjects, plus all your favorite fiction genres, all at the bargain price of \$1 for hardbacks and \$.50 for paperbacks. Some special books have higher prices. We also have 100's of dvd's and lots of cd's. So, come on down to the community room at Sharp Park and pick up some bargains. Bring the kids and let them select some books from our big selection (\$.25 & \$.50). Our Silent Auction has some great items including a commemorative box set of U2's

Joshua Tree, currently on tour, and a binge-watcher's delight of a complete set of 15 Breaking Bad DVDs for those who might have missed it. We'll also have some gift cards to bid on, plus special books.

We recently gave the library \$8750 to pay for summer programs including the Summer Learning Program, and need to replenish the treasury, so come to help and to support library programs.

We Need Help! It takes many hands to put together a sale, so if you have an hour or two to spare on Thursday June 15 from 11am on, come lend a hand. We especially need help at 4pm on Sat. June 17 to take down the left overs. We need all the help we can get, so tell your neighbors, family, or friends to come down to help us clean up. Your help goes a long way towards providing great library programs.

See you then,

Joan Putz & Caroline Barba

co-presidents

Quote from the Editor of the LA Times

“Everyone has a great story to tell, and every great story deserves to be heard. Books and stories do more than bring us together—no matter what our background may be—they help us see into the hearts and minds of one another. Sharing our stories encourages curiosity, nurtures empathy, and enriches our lives immeasurably.” April 16, 2017

New Library Project Update

While the library project remains in the top ten city council goals, the defeat of Measure N in November is causing the city to take a whole new look at the process. Everything is up for discussion and change including site and delivery of library services (one library or two). If you were an opponent of the measure, this is your opportunity to give your input. Group 4 Architects made a very wide open and inclusive presentation on May 23 at IBL Middle School. Unfortunately, not too many community members attended. If you favor keeping Sanchez open or oppose a site too close to the ocean, please express your opinion to Group 4. They gathered many suggestions for sites at both ends of the city, and heard what services are important to users. They will gather more information on usage patterns such as who uses each site for what type of activity. They will continue out- reach efforts at the Senior Center, Kops and Kids, Fog Fest, and other community events. The next formal community meeting will be September 28 at the Community Center on Crespi Drive where suggestions will be winnowed and refined. Hope to see you there. Updates will appear on the city's website under the current projects tab.
