Message from the Co-Presidents

It seems that summer is flying by, especially since many schools begin in August now, and back to school sales are already being advertised.

We hope that you are enjoying your summer and are finding some good books to read.

We want to thank all those who made our June Book Sale a big success. It is a big undertaking to get all the books out and then packed up, and it takes a lot of people to get the job done. Thanks go out to all the book movers, the people who put the books out on the table and the all-important clean-up crew. Thanks to their hard work we made \$3,547 to support library programs. Also thanks to those who donate books. In

recent weeks we have been getting calls from people who are forced to move due to eviction and need to clear out their shelves. It is very sad to hear their stories.

We hope you have been able to take advantage of some of the many programs the library offers like the recent docent program on the Summer of Love exhibit at the De Young Museum. The community room is buzzing with all the activity of the Summer Learning program from craft programs with jewelry making, button making and World of Minecraft, all designed to keep kids active and engaged during the summer. A record number of children signed up for reading logs this year. Finishers will receive a free book and an entry for a \$1,000 college scholarship. Reading logs are available for adults too, with an entry for a prize for finishers. On Aug. 15 at 3 pm there will be a solar eclipse

craft program at the Sharp Park Library in preparation for the Aug. 21 eclipse.

We are sponsoring an Ice Cream Social at the Sanchez Library patio Aug. 7 from 1:30 -2:30. We will be giving away ice cream sandwiches. We will also sponsor an adult paperback and children's book exchange. Bring a book you've read and exchange it for a different one from the table.

Looking ahead, we will once again be sponsoring a food cart at the Fog Fest on Sept. 23 and 24. We will be asking for your help in staffing the cart,

See you then,

Joan Putz & Caroline Barba

New Library Project Update

At the July 12 meeting of the Library Advisory Committee Dawn Merkes of Group 4 Architects presented the results of an on- going community outreach program. Comments and suggestions were solicited from community members at multiple venues like the 4th of July picnic, Touch a Truck, Kops n Kids, and Farmers Market. This time the focus was on site selection, and the committee whittled down a large number of suggestions to about six sites in the Sharp Park area. The public is encouraged to attend the Library Advisory Committee meetings. The next meeting will be Aug. 9 at 6:30. Check the city website, cityofpacific.org under the explore tab for the Library Advisory Committee meetings. The next Whole Community session will be Thurs. Sept. 28 at the Community Center with open house 4-7pm and workshop 7-8:30.

She wrote a book on the ecology of the Sharp Park Golf Course defending its use as a public golf course. We wish her well in her future endeavors.
