HAPPY FALL

www.pacificafriendsofthelibrary.org

Message from the Co-Presidents

The gray, foggy summer is disappearing in the rear view mirror. We are hoping that the new season will bring us some warm Indian Summer days. The changing season quickens the pace of library activities also, as the successful **Summer Learning Program** concludes. A record number of children participated.

The success of the **Books at Lunch program at IBL** brought a request from the Pacifica School District to expand the program to all K-8 schools. This will involve the purchase of more books for all the participants. Thanks to our generous members, we can help with funding.

There is some very exciting news from the **Library Advisory Committee**. The San Mateo County Library system and the City are collaborating on a new plan that would keep both libraries open with a new Sharp Park building and a remodeled Sanchez building. Details are being worked out, but the plan may include self service operations at Sanchez and/or joint use with another City department. More information will come out as the plan is firmed up. Please come and include your input as new community forums are held this fall. Mark your calendars for **September 24, 7 pm** for the City Council Meeting where

the plan will be presented. Please come and learn what the new plan entails. For inspiration, visit the **new Half Moon Bay library at 620 Correas street**. It's amazing what a new library can do for a community.

We will once again staff a food cart at the **Fog Fest on Sept. 29 and 30**. We hope you can help us raise funds for on-going library activities.

HELP WANTED

If it's the end of September, it must be time for **Fog Fest**. The library will have the bookmobile in the parade, and the Lookmobile available to the public. They will also participate in the **Fun Day Sunday** with activities and books for children. The PFOL is staffing a churro and pretzel cart again this year. We need one parade marshall (8:30-to the end of the parade), one block captain for a one and a half shift or a 3 hour shift, and two people for the 4-6pm shift on Friday. If you can help, please call Joan Putz @ 355-0698.

OCTOBER IS MEMBERSHIP MONTH

We would like to invite more library fans to join the Friends of the Library in our efforts to support programs at the libraries. Membership is inexpensive (\$10 for individuals, \$15 for families), and you will have the warm feeling that comes from the knowledge that you are doing your part to help the library in its service to the community. If you haven't paid your dues for a couple of years, pick up a membership envelope at either library or use the tear off from this newsletter. We welcome you. If you are current with your dues, THANK YOU. Please tell your friends and neighbors about the Friends and encourage them to join also. We have an on-going book sale at the Sharp Park Library and two big book sales a year. We provide books for the children in the Summer Learning Program and book clubs. We also support programs and provide funds for refreshments. If you love your library, JOIN US! You'll be glad you did.
